DETAILED ACTION

- 1. This action is responsive to amendment filed 12/13/06.
- 2. Claims 7-10, 13, 14, 17, 18, 20-24, 31-61 are pending in the application.

Claim Rejections - 35 USC § 101

35 U.S.C. 101 reads as follows:

Whoever invents or discovers any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement thereof, may obtain a patent therefor, subject to the conditions and requirements of this title.

- 3. Claims 7-10, 13, 14, 18, 20-24, 31-61 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. The claims appear to be directed to an abstract idea rather than a practical application of the idea. These claims do not result in a physical transformation nor does it appear to provide a useful, concrete, and tangible result. Specifically, it does not appear to produce a tangible result because merely "simulating", "automatically stripping", "emulating" are nothing more than thoughts or computations within a processor. It fails to use or make available for use the result of the method to enable its functionality and usefulness to be realized.
- 4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kimbinh T. Nguyen whose telephone number is (571) 272-7644. The examiner can normally be reached on Monday to Thursday from 7:00 AM to 4:30 PM. The examiner can also be reached on alternate Friday from 7:00 AM to 3:30 PM.

Application/Control Number: 09/755,902

Art Unit: 2628

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Razavi can be reached at (571) 272-7664. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
